## From the Rectory:

*Dear Readers,*

As I write sneezing merrily from the Hay fever, I am conscious of how we take our good health for granted. It makes me think especially of all those that we know who are struggling with ill health, praying for all carers and those in the health care professions as they help to make troubled lives more bearable. Maybe on those days when the weather is good, we should take the opportunity to enjoy our own health, by getting out more, and even helping someone else, whose health is not so great, to get out and enjoy what God has given us. As the summer holidays approach, we continue to think of all the students writing exams, their families and especially their teachers in the last haul towards the end of term and all the changes that the new Term will bring. May the summer holidays bring a brief time of peace and respite.

*God bless,  
Martin*
