From the Rectory:

Dear Readers,

Summer is truly upon us! The driest I am told since 1976, wonderful for those who enjoy the sun great for all those on holiday, but spare a thought for those desperate for the rain. We think especially of the farmers as they bring in the harvest, and struggle to get water to livestock and crops still growing. May this be a month of fun and relaxation for all those on holiday, renewing them for the start of the new academic year in September, but also a fulfilling month for those who have to work!

*God bless,
Martin*
