Home Groups Our Home Groups will shortly be starting a new, five week, course looking at Songs of Praise in the New Testament and then we will have a four week course, during Advent, looking at the lectionary readings for Year A. There are two groups. One meets at 2.00pm on a Monday afternoon and the other meets normally on a Monday evening at 7.00pm. (The third Monday of the month clashes with another meeting involving a number of the members of this group, so that week it meets on a Tuesday, again at 7,00pm.) New members are always very welcome. For more information contact Daphne (628868). Do come and join us!

Our God is so faithful. Each morning we have a brand new day and the seasons continue year upon year, even if we do blur the edges with all the foods available all year round. I can remember the thrill of gathering the first peas and new potatoes from the garden when I was a child. I am still amazed as seeds turn into plants. Man can't recreate that miracle. Take a moment to look at the marvels of creation. Even the weeds popping up through the tarmac. How do they do that? They can be snapped off so easily but yet have had the strength to push their way through the solid mass. With all these riches we need to give thanks for all involved in getting food to us from the growers, manufacturers, hauliers and workers on whom we are dependant.

Even in our privileged communities there is a need for food banks and we can give our thanks to God for our food by donating items in the boxes in our churches. Gratitude and generosity should go hand in hand at harvest time as we recognise both how much God has blessed us and look for opportunities to bless others. As we bless others so in turn we will be blessed.

Harvest reminds us of the never ending material and spiritual gifts God offers in love to His people. His love for His people looks beyond all the bad things, the times we have strayed from following Him and He welcomes us back.
