### **From the Rectory:**

*Dear Readers,*

How time flies! It seems like only the other day we were looking forward to the summer holidays, but now Autumn is upon us and dare I say it winter will soon be here. It is not all doom and gloom, for this is the season to be thankful for God's generosity to us as we celebrate our harvests and this is an opportunity to thank God for all that he has given us over the past year and a time to show our gratitude by sharing what we have with others. As the nights draw in with the close of the month, so we move to a more sombre time of remembering with All Soul's, All Saint's, and Remembrance Day following in November. As the seasons change round us, so we need to be aware of the changes in our own lives and those around us, giving thanks for the good times, and supporting one another through the difficult ones.

*God bless,  
Martin*
